RAMAKRISHNA MISSION SEVA PRATISHTHAN

Secretary's Report

We are presenting report of the activities of the Ramakrishna Mission Seva Pratishthan for the year 2023-2024.

Before we proceed with the operation details for the year, it would not be out of place to give here a brief history of the origin and growth of the Pratishthan.

Brief History & Growth

This institution, a branch centre of the Ramakrishna Mission, was founded by Revered Swami Dayanandaji Maharaj, a disciple of the Holy Mother Sri Sarada Devi in its former name of "Ramakrishna Mission Sishumangal Pratishthan" in a rented house in July 1932 with an initial financial help from an American devotee Miss Helen Rubel (Sister Bhakti). Domiciliary Maternity Service and Outdoor Antenatal and Postnatal clinic were started first, and a year later, the Indoor section with 7 beds for mothers and 9 beds for babies was added. Later, on a small plot of land purchased at 99, Lansdowne Road (now Sarat Bose Road) foundation stone of a permanent hospital building was laid on March 4, 1938 by the Most Revered Srimat Swami Vijnananandaji Maharaj, a direct disciple of Bhagavan Sri Ramakrishna and the fourth President of the Ramakrishna Math and Ramakrishna Mission, which was completed as a 50-bed maternity hospital and consecrated on May 31, 1939 by Revered Srimat Swami Virajanandaji Maharaj, the sixth President of the Ramakrishna Math and Ramakrishna Mission. 'Sishumangal' thus found a new home of its own and gained wide recognition as a model maternity and child welfare centre.

In 1957, its Silver Jubilee Year, Sishumangal was renamed "Seva Pratishthan" following the addition of some general beds for men, women and children in 1956. Additional construction followed in phases and bed - strength also rose from time to time and reached 550 in 1985.

The construction of the building of Vivekananda Institute of

Medical Sciences was started in 1977 with a kind and generous donation from Shri Nandlal Tantia and done upto 2nd floor by 1982. The research centre housed in it was named “Rameshwar Tantia Research Centre”. More funds were collected gradually and upto 4th floor construction was completed in 1995-96.

Another newly constructed building had been completed in July 2007 and inaugurated by Most Revered Srimat Swami Gahananandaji Maharaj, the then President of Ramakrishna Math and Ramakrishna Mission on the occasion of the Platinum Jubilee of this Pratishtan.

On the occasion of the celebration of the 150th Birth Anniversary of Swami Vivekananda, a new project was taken in hand. It consisted of 1) Construction of A Diagnostic Centre Building; & 2) A fully-equipped Cath. Lab., Cardiac Care Unit, High Dependency Unit & Cardiothoracic Vascular Surgery Unit. The entire project was named as “**Swami Vivekananda Diagnostic & Cardiac Care Centre**” and was being done with the financial assistance from the Ministry of Culture, Government of India.

With addition of the abovementioned units, the following operations/ investigations are being done in this Pratishtan successfully at a low cost compared to other non-Govt. institutions in the State of West Bengal :-

Coronary Angiography, Coronary Angioplasty, Single & Double Chamber Pacemaker implantation, ASD Closure, Mitral Valve Replacement, Aortic Valve Replacement & Double Valve Replacement.

A new **Cardiology Ward** in the 5th Floor of Adhish Chandra Sinha Building has been inaugurated on 03-03-2019 by Srimat Swami Vimalatmanandaji Maharaj, Trustee, Ramakrishna Math, Member, Governing Body of Ramakrishna Mission and Adhyaksha, Ramakrishna Math, Yogodyan. The 38-bed ward has general beds and Cabin facilities for male, female and paediatric cardiology patients with an attached High Dependency Unit (HDU). **The bed strength rose to 684 in June 2020.**

A most sophisticated Siemens DRF X-Ray Machine (Luminos Impulse) has been installed in the X-Ray Department of this Pratishtan on 25-03-2023 at 11-00 a.m. The new X-Ray machine will be used for special types of X-Ray (Barium Meal, Barium Swallow, MCU, HSG, RGV, Fistulogram, Sinogram Fluoroscopy etc.) and will be beneficial for many needy patients of this Pratishtan.

Painting of external and internal portion of the hospital premises (A, B, C Blocks), Fatehpuria Building and Quarters of Monks, Doctors and Nurses was started in April 2023. The whole work done in phases and has been completed in the month of March, 2024.

A new 50 Kg. Washing Machine (Nat Steel) has been installed in the Laundry Department of this Pratishtan. As the machine needs extra space, so necessary planning was made. We have to construct a toilet block to shift the existing toilet of the Department for generating extra space for the new machine. The new Washing Machine is working upto our satisfaction.

A new 16-bedded Female Medicine Ward at A3 ward (2 Nos. of 8-bedded Ward) has been set up with necessary toilet facilities. The ward will cater the Female Endocrinology & Medicine patients.

In C-5 Ward, 2 Nos. of 4-bedded rooms and 4 Nos. of Cabins with AC facilities with toilets have been set up.

Standby Air-conditioning System at CCU, CTVS O.T., Cath Lab and HDU-1 has been done in the month of February, 2024.

The following equipments have been procured during the year 2023-24 with financial assistance from a Well-wisher from USA :-

USG Machine (for USG Department)	... 2 Nos.
Dialysis Machine (for Dialysis Unit)	... 2 Nos.
Laparoscopic Hardware Set (General O.T.)	... 1 No.
Shaver System (General O.T.)	... 1 No.
Surgical Diathermy Machine (General O.T.)	... 1 No.
O.T. Table (General O.T.)	... 1 No.

Memorial Orations and Notable Celebrations

In memory of our revered and beloved Swami Dayanandaji Maharaj, Founder-Secretary of this Institution, who passed away on June 5, 1980, “**Swami Dayananda Memorial Oration**” was introduced to have important orations delivered by distinguished persons of our society. It was first held in 1981 and on some occasions in following few years. From 1999, it is being held every year as a part of the Annual Scientific Conference.

In memory of revered and beloved Swami Gahananandaji Maharaj, the 14th President of the Order and long-time Secretary of this Pratishtan “**Swami Gahanananda Memorial Oration**” was introduced in 2008 and is being held regularly during Annual Scientific Conference.

The **92st Foundation Day Celebration** of Ramakrishna Mission Seva Pratishtan and **Capping Ceremony** of School of Nursing and Ma Sarada College of Nursing was held on 24th July, 2023 at 12-00 noon at Dayananda Hall of this Pratishtan.

Dr. Narayan Swaroop Nigam, Principal Secretary, Department of Health & Family Welfare, Government of West Bengal, was the **Chief Guest**.

Srimat Swami Sarvabhutanandaji Maharaj, Trustee, Ramakrishna Math and Member, Governing Body, Ramakrishna Mission, Belur Math and Adhyaksha, Ramakrishna Math, Balaram Mandir, was the **Guest of Honour**.

Shri Manisankar Mukherjee, Vice President, Managing Committee of Ramakrishna Mission Seva Pratishtan **presided** over the function.

35th Annual Scientific Conference of Ramakrishna Mission Seva Pratishtan Vivekananda Institute of Medical Sciences was held from 24th to 26th November, 2023.

Srimat Swami Suviranandaji Maharaj, General Secretary, Ramakrishna Math & Ramakrishna Mission, Belur Math was the **Chief Guest**.

Dr. Aniruddha Neogi, Special Secretary and Director of Medical Education, Department of Health & Family Welfare, Government of West Bengal was the **Guest of Honour**.

Dr. Dilip Kumar Mazumdar, Consultant, Department of General Medicine gave away the Dayananda Oration.

Dr. Susanta Roychoudhury of Saroj Gupta Cancer Centre and Research Institute, delivered Gahanananda Oration.

Development Scheme

To meet increasing demands from the public and to render more efficient service to the patients, we would like to undertake the following development projects as and when funds are available :-

Sl.	Project	Estimated Cost (₹)
1.	Modernization / IT Integration of the entire Hospital	5.00 Crores
2.	Land Acquisition for Hospital Expansion and Construction	5.00 Crores
3.	For Constructinon of Paediatric Cardiololgy Ward	4.00 Crores
4.	For Constructinon of Monks' Quarters	4.00 Crores

Management

18. Department of Radiodiagnosis

The department had 3 big X-ray plants, 7 mobile plants, besides 6 Image Intensifiers, 6 USG equipments, 1 CT Scan equipment, 1 MRI equipment, 1 BMD (Dexa Scan equipment) & 1 Mammography equipment. During the year 2023-24, X-ray examinations of **39910** cases were done. **6607** CT Scan, **6421** MRI and **27780** USG cases were also done. A special investigation report is also given in page 43.

19. Blood Centre

The Blood Centre was started in 1966 to meet the needs of patients in this hospital. Normally patients were required to provide donors. The Bank was open round-the-clock on all days and was able to meet the emergency needs of the hospital. Depending on availability of stock, blood was supplied for patients of other hospitals also from time to time. A fully equipped Blood Component Separation Unit has been added to it in February, 2014.

The statistical reports for the Blood Centre for 2023-24 were as follows :-

Total number of units of blood supplied	3422
Collection in Voluntary Blood Donation Camp	2646
Collection in Blood Bank (in-House)	776

THE SCHOOL OF NURSING

The need for training a sufficient number of nurses can hardly be overemphasised. One of the chief objects of the Seva Pratishtan has been to provide facilities for training in nursing and midwifery in a suitable atmosphere.

This institution had been training midwives since its inception in 1932 and it was recognised as a training centre for Junior and Senior Midwives in 1944. When the institution was expanded into a General Hospital in 1956, the school was recognised for the training of Auxiliary Nurse-Midwives, later known as Multipurpose Health Workers, and in the following year for General Nurse-Midwives as well. The school has the capacity for training about **150** students. The State Government has been helping the School regularly and is bearing a portion of the cost of training.

General Nursing-Midwifery Course : Candidates seeking admission to this course must have passed the Higher Secondary Examination or its equivalent and must not be under 18 years or above 27 years of age. The session normally starts in September and the course lasts for three years. Pupils are selected for the course after a written test, an interview and a medical check up. The roll strength of students as on 31st March 2024 was **106**. After a course of instruction for three months, an examination is held and successful candidates take part in an impressive ceremony called Capping Ceremony at which they are given the Nursing Cap, a symbol of Nursing Service. At this ceremony they take vows, composed in lucid Sanskrit, of life-long dedicated service to the sick and suffering.

Candidates for admission are centrally selected through the Joint Entrance Examination (ANM-GNM) and placed in different Schools including this institution.

The school has a well-equipped demonstration room, a library with **18279** books and **8** Nos. of periodicals, an auditorium and a shrine and prayer hall. Pupils receive training in an atmosphere conducive to their all round development - physical, intellectual, moral and spiritual.

A regular programme of in-service training for qualified nurses is conducted by the institution to improve and maintain a high standard to prepare them for higher courses. The nursing tutors and other members of the nursing staff are also encouraged to acquire higher professional qualifications.

Among the other cultural and religious functions held during the year under review were, Saraswati Puja, Christmas Eve, Independence Day, Republic Day and World Nurses' Day. These were celebrated with great enthusiasm with impressive parades and folk dances, tableaux and patriotic songs as befitting the different occasions.

A fund called Scholarship Fund has been created out of donations received from various sources for awarding scholarships and prizes to student nurses of the institution from the interest earned. The scholarships and prizes awarded to student nurses are named after '**Gopaler Ma**', '**Golap Ma**', '**Sister Nivedita**', '**Sister Christine**', '**Gargi**', '**Maitreyi**', '**Swami Madhavananda**', '**Swami Dayananda**', '**Swami Gahanananda**', '**Kadambini Sarkar**', '**Sibadasi Devi**', '**Rajubala Ghosh**', '**Sister Kalyani**', as also '**K. C. Mahindra Scholarship**', '**Surabhi Foundation**'.

MA SARADA COLLEGE OF NURSING

The Ma Sarada Collge of Nursing for conducting B.Sc. Nursing course of the West Bengal University of Health Sciences was started in the year 2005. The session starts in the month of August every year. The College is affiliated to the West Bengal University of Health Sciences and recognised by Indian Nursing Council and West Bengal Nursing Council. The roll strength as on 31st March, 2024 was **144**.

From August 2009, the College started to conduct 2-year Post Basic B.Sc. Nursing course also. The roll strength as on 31st March, 2024 was **45**.

Candidates for admission are centrally selected through the Joint Entrance Examination (JENPAS-UG) and placed in different Colleges including this institution.

VIVEKANANDA INSTITUTE OF MEDICAL SCIENCES

The Ramakrishna Mission Seva Pratishthan Vivekananda Institute of Medical Sciences was recognised by the University of Calcutta for post-graduate training and research in medicine in 1963, the year of Swami Vivekananda's Birth Centenary. In 1977 the Indian Council of Medical Research first recognised it for research work on a project.

The National Medical Commission (erstwhile, Medical Council of India) which recognised the Seva Pratishthan in 1966 for compulsory rotatory training of fresh medical graduates, first approved it in 1979 for post-graduate degree courses also. The Institute has been recognised by the University Grants Commission since 1987.

The Institute has now been conducting Diploma courses in Child Health (DCH), Gynaecology and Obstetrics (DGO), Ophthalmology (DO), Oto-Rhino-Laryngology (DLO) of West Bengal University of Health Sciences.

The academic affairs of the Vivekananda Institute of Medical Sciences are guided by a Governing Body. During the year 2023-24 a good number of doctors were doing their dissertation for post graduate degree of MD in General Medicine, Paediatrics, Anaesthesiology & Pathology and MS in General Surgery, Orthopaedics, Obs. & Gynae, E.N.T. & Ophthalmology.

A new Postgraduate Degree Course (**MD in Radiodiagnosis**) under National Medical Commission has been introduced from 2021 with an annual intake capacity of 2 students.

A new Superspeciality (**M.Ch. in Urology**) under National Medical Commission has been introduced from 2022 with an annual intake capacity of 2 students.

The total number of Post Graduate Degree, Diploma students on the rolls as on 31st March, 2024 were **122 & 16** respectively.

Diploma in Medical Laboratory Technique (DMLT) and Diploma

in Radio Diagnosis Technique (DRD-Tech) courses of the State Medical Faculty of West Bengal are also being conducted here. The roll strength as on 31st March 2024 was **25** in DMLT and **9** in DRD-Tech.

The Bachelor of Critical Care Technology (BCCT) and Bachelor of Operation Theatre Technology (BOTT) courses started functioning from September 2009. The rolls strength on 31st March 2024 were **52 & 36** respectively.

A Scholarship Fund named "**Swami Gahanananda Scholarship**" has been created from April 2012 out of donations received from various sources for awarding scholarships to students of the DRD-Tech, BCCT, BOTT courses of the institution.

The Bachelor of Physiotherapy (BPT) course was started from 2006. The roll strength as on 31st March 2024 was **51**.

Diploma in Neuro Electro Physiology (DNEP) course started functioning from September 2017. The roll strength as on 31st March 2024 was **1**.

The Institute has a **Medical Library** with **10406** books and subscribes to a large number of medical journals. Qualified and experienced doctors are carrying on research work at the Pratishthan in different subjects. The results of their investigations are published in medical journals in India and abroad. Since 1978, the Institute publishes its own journal. The number of bound volumes of medical journals in the library is **4224** and No. of Thesis **821**.

COMMUNITY HEALTH SERVICE

In view of the Community Health Nursing being included in the Nurses' Training Course in 1963, two areas, one urban and the other rural, were selected for training of nursing students. The urban area was very near the hospital while a group of villages near Sarisha, South 24 Parganas, formed the rural area.

Groups of student nurses under the guidance of qualified staff visited all the houses in two selected areas, collected necessary data and advised people on their health and hygiene problems. The people of these areas got free immunisation, hospital facilities and domiciliary treatment while the mothers were given antenatal and postnatal care.

The mobile medical unit attached to Community Health Service visits **Sarisha** (40 km.) covering **23** villages with a population of about **20,000**, **Arapanch** (20 km.) covering **10** villages with a population of about **15,000** and **Kumirmorah** in Hooghly (32 km.) with a population of about **10,000**, twice a week respectively and provides free treatment to about **150** patients daily. The critically ill patients are brought to the main hospital for treatment as and when necessary. Free eye camp is held for patients from areas served by the mobile unit every year. A mothercraft class is also held at Sarisha once a week. Regular antenatal check-up is carried on in which high-risk mothers are identified and referred to the Pratishtan. Immunisation programme is implemented against Measles, Diphtheria, Whooping Cough and Tetanus for children in these rural areas.

The **Medical Relief Camp at Gangasagar Mela** was organized from 10-01-2024 to 16-01-2024. The camp treated 7553 patients, out of which 4745 were male, 2771 were female and 37 children.

This Pratishtan also conducted a **Medical Relief Camp** on the **Public Celebration Day** of Birth Anniversary of Bhagavan Sri Ramakrishna at Belur Math on 17-03-2024. The camp treated 192 male patients, 169 female patients and 9 children on that day.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan which comprise the Balance Sheet as at 31st March, 2024 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2024, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation

of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan so far as appears from our examination of those books.

d) the Balance Sheet, The Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan, School of Nursing which comprise the Balance Sheet as at 31st March, 2024 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2024, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the financial statements :

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icaai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan School of Nursing so far as appears from our examination of those books.

d) the Balance Sheet, the Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan, Ma Sarada College of Nursing which comprise the Balance Sheet as at 31st March, 2024 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2024, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of

accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan, Ma Sarada College of Nursing so far as appears from our examination of those books.

d) the Balance Sheet, the Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

Obituary

We record here with deep sorrow that the following Member/Ex-Member of Managing Committee of this Pratishthan who passed away during the year under report. We shall always remember him for the valuable services rendered by him to this Pratishthan :—

Dr. Bikash Chandra Sinha

Sri Prativa Kumar Kundu

“Egoism, caused by ignorance, is the root-cause of all suffering....!!”

— *Sri Sri Ramakrishna*

“I tell you one thing. If you want peace of mind, do not find fault with others. Rather learn to see your own faults. Learn to make the whole world your own. No one is a stranger, my child; this whole world is your own.”

— *Ma Sarada Devi*

“The great secret of true success, of true happiness is this : the man or woman who asks for no return, the perfectly unselfish person is the most successful.”

THE EMBLEM

“The wavy waters in the picture are symbolic of Karma; the lotus, of Bhakti; and the rising-sun, of Jnana. The encircling serpent is indicative of Yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman (Supreme Self). Therefore the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga, the vision of the Paramatman is obtained.”

— *Swami Vivekananda*
