ONLINE CLASS ROSTER, VIMS, DEPT OF MEDICINE

Due to the current COVID – 19 pandemic situation, instead of regular clinical classes, thrice weekly online case based academic activities have been scheduled since 31.03.2020.

One case based problem is given to all the PGTs (in a WhatsApp group including all the faculty member and PGTs of the department of the General Medicine, VIMS, RKMS) and they have been asked to submit their answers within a certain timeframe. These answers are corrected, evaluated and discussed by one of the faculty members and feedback is given to individual student.
